Sir,

In forwarding herewith a copy of a telegram received from Mr. H. Shama Rao, L.M.&S., 1st class Sub Assistant Surgeon in charge of the Local Fund Dispensary Koppa requesting to be relieved on the 7th instant, I have the honor to state that, in reply to a wire from the District Medical Officer on the same subject, that officer was informed that the Sub Assistant Surgeon cannot be relieved or his resignation accpeted without sufficient previous notice.

Mr. Shama Rao was entertained in the service prior to the date of the Government Order prescribing the form of covenant to be taken from fresh entrants into the service. Mr. Shama Rao appears to have received a scholarship for a part of his course in the Medical College and the Inspector-General of Education has been requested to state whether a covenant has been taken from him.

No has not been recd

Apart from this consideration, I beg to bring to notice that this is the second instance where the employees of this department have been carrying on correspondence with the authorities of other governments with a view to secure employment outside; and resigning or leaving the service without waiting for the accpetance of the resigna-

resignation or for their formal relief. Mr. B. Ramaswamy Iyengar's case is one such

It seems to me that if the British Authorities were aware of the fact that these individuals are acting contrary to the usual rules of discipline by thus corresponding independently and without the knowledge of the Government that is employing them, those authorities may refuse to entertain their applications or even cancel the appointment orders already passed without a knowledge of all the facts relating to the applicants.

I request that Government may be pleased to take such necessary steps in the matter as would prevent our employees thus applying for posts outside with impunity.

I have the honor to be,

Sir,

In continuation of my letter No. G.C. 542 dated 9-4-18, regarding the resignation tendered by Mr. H. Shama Rao, I have the honour to state that the Sub Assistant Surgeon having been found to have carried on correspondence with the British Military Authorities without the knowledge of this office, the District Medical Officer, Kadur has been requested to obtain the Sub Assistant Surgeon's explanation for his breach of official discipline.

It is also ascertained from the office of the Inspector General of Education that Mr. Shama Rao has executed an agreement on an eight anna stamp paper promising to serve for not less than 5 years on such terms as may be fixed by Government or to return a sum of Rs. 550/-

I solicit early orders whether Mr. Shama Rao's resignation may be accepted on condition of his fulfilling the terms of his agreement or his case more severly dealt with for his breach of official discipline.
